1. Introduction

Thank you for purchasing a Sealey product. Manufactured to a high standard, this product will, if used according to these instructions, and properly maintained, give you years of trouble free performance.

1.1 Intended Use

The Superline PRO® Black Edition Modular Full Height Floor Cabinet 2 Door 915mm is designed for the secure storage and organisation of tools, equipment, parts, accessories and workshop supplies in professional or home workshop environments. It can be used as a standalone storage cabinet or integrated into a Superline PRO® modular garage storage system. The cabinet features adjustable shelves to accommodate items of various sizes and a lockable door system for added security. It is intended for indoor use only.

1.2 Description

Use as part of a complete garage storage system or as an individual storage unit. Full height two door cabinet. Black anodized aluminium cabinet pulls. Four height adjustable shelves. High quality lock with two keys. Supplied flat-packed for ease of transportation and requires some self-assembly.

3. Safety

! **WARNING!** Ensure health & safety, local authority, and general workshop practice regulations are adhered to when using this storage system.

! **WARNING!** Use storage on level and solid ground, preferably concrete.

- Locate in a suitable work area.
- Keep the work area clean, uncluttered and ensure there is adequate lighting.
- Keep the storage system clean and tidy in accordance with good workshop practice.
- Keep children and unauthorised persons away from the work area.

⊘ **DO NOT** use the storage system for any purpose other than that for which it is designed.

⊘ **DO NOT** use the storage system outdoors.

⊘ **DO NOT** place the storage system in a damp or wet location or an area where there is condensation.

⊘ **DO NOT** clean the storage system with any solvents which may damage the surfaces or the protective coating.

⊘ **DO NOT** move the storage system when there are items placed inside.

⊘ **DO NOT** step on the shelves.

⊘ **DO NOT** overload the storage system.

7. Consumables & Accessories

A wide range of consumables and accessories are available.

Visit www.sealey.co.uk to explore our extensive range.

8. Maintenance

- Inspect the cabinet regularly to ensure all screws, hinges, shelf supports, and door hardware remain secure, tightening them as necessary. Clean the cabinet using a soft cloth and a mild detergent solution, then dry all surfaces thoroughly.
- ⊘ **DO NOT** use abrasive cleaners, solvents, or corrosive chemicals, as these may damage the finish.
- Keep the cabinet free from dust, dirt, oil, and other workshop contaminants, and periodically lubricate the hinges and lock mechanism with a light machine oil to maintain smooth operation. Ensure shelf loads are distributed evenly and do not exceed the intended capacity. If the cabinet forms part of a modular storage system, check all mounting and connecting fixings regularly. Store and use the cabinet in a clean, dry indoor environment and promptly repair any damaged finish to help prevent corrosion and extend the product's service life.

9. Warranty

- Guarantee is 60 months from purchase date, proof of which is required for any claim.

Please note that guarantee claims must be made via the place of purchase where you may need to provide proof of purchase. All consumable items are under no warranty period. All warranties exclude general wear and tear and misuse, see our terms of business for more details.

10. Aftersales Support

We are committed to supporting our products throughout their lifetime.

- If your product is outside of the warranty period, we offer an extensive range of spare parts along with expert technical advice to help keep your equipment in working order.
- Our technical team is on hand to assist 8.30am-5.00pm Mon-Fri with fault finding, repairs and general product queries.

Telephone 01284 757505

Email: technical@sealey.co.uk

If required, products can also be returned to Sealey or one of our authorised repair agents for inspection, servicing or repair at a reasonable cost.

Product Registration

It's quick and easy to register your warranty online at www.sealey.co.uk. Just log in or create a free MySealey account, then head to the 'My Products' section to fill out the short warranty registration form. If your product is advertised with a free extended warranty upon registration, this will activate your extended warranty.

Environment Protection

Recycle unwanted materials instead of disposing of them as waste. All tools, accessories and packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. When the product becomes completely unserviceable and requires disposal, drain any fluids (if applicable) into approved containers and dispose of the product and fluids according to local regulations.
