1. Introduction

Thank you for purchasing a Sealey product. Manufactured to a high standard, this product will, if used according to these instructions, and properly maintained, give you years of trouble free performance.

1.1 Intended Use

The Superline PRO® Black Edition Modular Corner Floor Cabinet 860mm (APMS42BE) is designed for the secure storage and organisation of tools, equipment, parts, and workshop supplies in professional garages, workshops, and domestic work areas. The cabinet is intended for use as part of a complete Superline PRO® Black Edition modular storage system or as a standalone storage unit. Its corner design maximises the use of available workspace, while the adjustable shelf allows storage of items of varying sizes. The cabinet is fitted with a lockable door to help protect stored contents and is intended for indoor use only in a clean, dry environment.

1.2 Description

Modular storage system ideal for any garage/workshop. Durable construction that will last for years. Easily adjusts to specific needs. Purchase a simple base cabinet or create a full workshop storage system.

7. Consumables & Accessories

A wide range of consumables and accessories are available.

Visit www.sealey.co.uk to explore our extensive range.

8. Maintenance

- Inspect the cabinet regularly to ensure all screws, hinges, shelf supports, and door hardware remain secure, tightening them as necessary. Clean the cabinet using a soft cloth and a mild detergent solution, then dry all surfaces thoroughly.
- ⊘ **DO NOT** use abrasive cleaners, solvents, or corrosive chemicals, as these may damage the finish.
- Keep the cabinet free from dust, dirt, oil, and other workshop contaminants, and periodically lubricate the hinges and lock mechanism with a light machine oil to maintain smooth operation. Ensure shelf loads are distributed evenly and do not exceed the intended capacity. If the cabinet forms part of a modular storage system, check all mounting and connecting fixings regularly. Store and use the cabinet in a clean, dry indoor environment and promptly repair any damaged finish to help prevent corrosion and extend the product's service life.

9. Warranty

- Guarantee is 60 months from purchase date, proof of which is required for any claim.

Please note that guarantee claims must be made via the place of purchase where you may need to provide proof of purchase. All consumable items are under no warranty period. All warranties exclude general wear and tear and misuse, see our terms of business for more details.

10. Aftersales Support

We are committed to supporting our products throughout their lifetime.

- If your product is outside of the warranty period, we offer an extensive range of spare parts along with expert technical advice to help keep your equipment in working order.
- Our technical team is on hand to assist 8.30am-5.00pm Mon-Fri with fault finding, repairs and general product queries.
