1. Introduction

Thank you for purchasing a Sealey product. Manufactured to a high standard, this product will, if used according to these instructions, and properly maintained, give you years of trouble free performance.

1.1 Intended Use

The Superline PRO® Black Edition Modular Corner Back Panel is designed for use with compatible Superline PRO® Black Edition modular storage systems. It provides a finished corner appearance and helps protect the wall area behind the installation in garages, workshops, and similar indoor environments.

1.2 Description

Corner back panel to connect wall cabinets to base cabinets in the APMS30 Series. Must be used in conjunction with either Model No. APMS30UCS or APMS30UCD Upright Connectors. Features hanging holes for quick and easy access to workshop tools.

Country of origin: China.

2. Safety Symbols

Refer to
instruction
manual

Wear
protective
gloves

3. Safety

! **WARNING!** Read and understand these instructions before assembly and use.

- Wear suitable safety footwear and protective gloves during assembly.
- Two-person assembly is recommended due to the size and weight of the panel.
- Ensure all components are securely fastened before use.

⊘ **DO NOT** climb, stand, or sit on the panel.

- Install the panel only on a stable, level surface as part of a compatible Superline PRO® Black Edition modular system.
- Keep children and bystanders away during assembly.
- Inspect the panel and fixings regularly.

⊘ **DO NOT** use if damaged.

- This product is intended for indoor use only.

! **WARNING!** Failure to follow these instructions may result in personal injury, damage to the product, or damage to surrounding property.

4. Specification

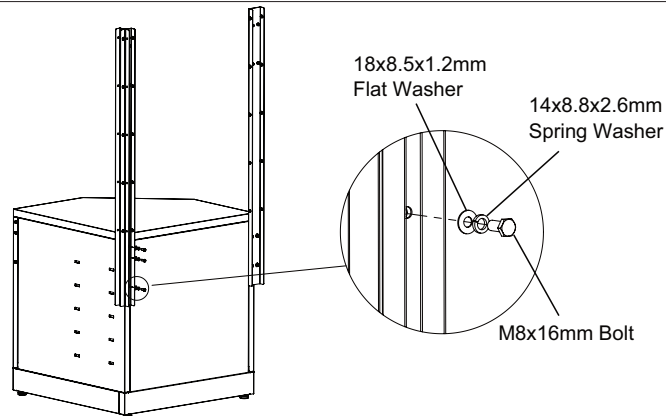

Model No:	APMS4PB
Overall Size (W x D x H):	782 x 25 x 1080mm
Hole Dimensions:	10 x 10mm
Hole Distance:	38mm

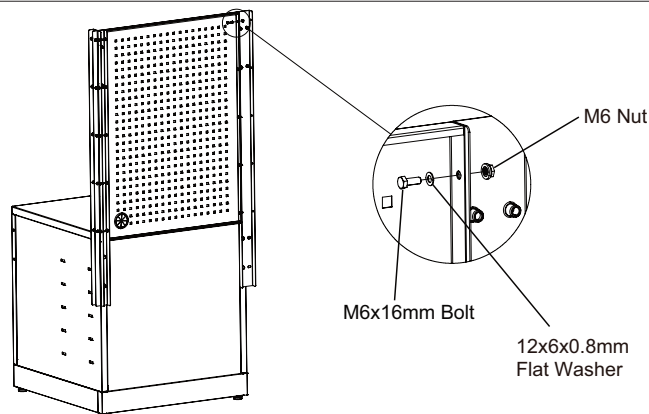

Note: APMS4PB does not include fixings. The required fixings are supplied in the APMS42BE packaging, as the APMS4PB must be assembled together with the APMS42BE for use.

5. Assembly

Step.1

Step.2

Step 1. Position Uprights

Ensure the uprights are correctly positioned and aligned before fitting the corner back panel.

Step 2. Attach Corner Back Panel

Place the corner back panel between the uprights. Align the fixing holes and secure the panel using the supplied fixings.

 **DO NOT** fully tighten the fixings at this stage.

Check that all components are correctly aligned and that there are no gaps between adjoining panels. Adjust as necessary, then fully tighten all fixings.

Step 3. Final Inspection

Inspect the assembly to ensure all fixings are secure and that the corner back panel is firmly attached before use.

6. Consumables & Accessories

A wide range of consumables and accessories are available.

Visit www.sealey.co.uk to explore our extensive range.

7. Maintenance

- Periodically inspect the panel and all fixings for signs of damage, wear, or loosening.
- Retighten any loose fixings as required.
- Clean the panel using a soft cloth and mild detergent. Dry thoroughly after cleaning.
- Replace any damaged components before continued use.
- Keep the product clean and free from dust, dirt, and moisture.
- Store and use the product in a dry indoor environment.
- Regularly check that the panel remains securely attached to the modular storage system.

 **DO NOT** use abrasive cleaners, solvents, or corrosive chemicals, as these may damage the finish.

8. Warranty

- Guarantee is 60 months from purchase date, proof of which is required for any claim.

Please note that guarantee claims must be made via the place of purchase where you may need to provide proof of purchase. All consumable items are under no warranty period. All warranties exclude general wear and tear and misuse, see our terms of business for more details.

9. Aftersales Support

We are committed to supporting our products throughout their lifetime.

- If your product is outside of the warranty period, we offer an extensive range of spare parts along with expert technical advice to help keep your equipment in working order.
- Our technical team is on hand to assist 8.30am-5.00pm Mon-Fri with fault finding, repairs and general product queries.

Telephone 01284 757505

Email: technical@sealey.co.uk

If required, products can also be returned to Sealey or one of our authorised repair agents for inspection, servicing or repair at a reasonable cost.

Product Registration

It's quick and easy to register your warranty online at www.sealey.co.uk. Just log in or create a free MySealey account, then head to the 'My Products' section to fill out the short warranty registration form. If your product is advertised with a free extended warranty upon registration, this will activate your extended warranty.

Environment Protection

Recycle unwanted materials instead of disposing of them as waste. All tools, accessories and packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. When the product becomes completely unserviceable and requires disposal, drain any fluids (if applicable) into approved containers and dispose of the product and fluids according to local regulations.
